## 1 Introduction

Foundation Intelligent Technologies (the Foundation) was established on 25 June 2015, entered in National Court Register on 21 July 2015 under No. 0000567814.

In its activity the Foundation combines the ICT skills of its Founder, Intelligent Technologies S.A. with the science of psychology to deliver “Hopeful People Technology”. Our first and particular ambition is based on the growing body of knowledge about the detrimental impacts of mobile ICT on children. The Foundation wishes to use these same technologies to support collaboration between parents and children for the beneficial use of mobile devices and the web-based application “Im2be”.

In its undertakings, the Foundation is guided by the highest standards of ethics, making every effort to ensure that they are also preserved during research and development.

This report presents all the data required under the Regulation of the Minister of Justice of 8 May 2001 on the general scope of reports on the activities of foundations (Journal of Laws, 01.50.529) and the Regulation of the Minister of Justice of 15 December 2018 changing the Regulation on the general scope of reports on the activities of foundations according to § 2 wherein following points of this report contain data mentioned in following passages above-mentioned para.:
